A written notice of the denial must be provided to the owner by certified mail, hand delivery, or electronic delivery (the "Denial Notice"). The Denial Notice must:

(1) describe the basis for the denial in reasonable detail and changes, if any, to the application or improvements required as a condition to approval; and

(2) inform the owner that the owner may request a hearing under Subsection (e) on or before the 30th day after the date the Denial Notice was mailed to the owner.

5. The Board shall hold a hearing under this section not later than the 30th day after the date the Board receives the owner's request for a hearing and shall notify the owner of the date, time, and place of the hearing not later than the 10th day before the date of the hearing. Only one hearing is required under this subsection.

6. During a hearing, the Board or the designated representative of the Association and the owner or the owner's designated representative will each be provided the opportunity to discuss, verify facts, and resolve the denial of the owner's application or request for the construction of improvements, and the changes, if any, requested by the architectural review authority in the Denial Notice.

7. The Board or the owner may request a postponement. If requested, a postponement shall be granted for a period of not more than 10 days. Additional postponements may be granted by agreement of the parties.

8. The Association or the owner may make an audio recording of the meeting.

9. The Board may affirm, modify, or reverse, in whole or in part, any decision of the architectural review authority as consistent with the Association's dedicatory instruments.

10. In the event of any conflict between 209.00505 of the Texas Property Code and any restrictions contained in any dedicatory instrument of the Association, 209.00505 of the Texas Property Code and these procedures control.
